

DAY 1		Wednesday				16-Oct-19		
Start	End	Symposia Theatre	International I	International II	Cartier I	Cartier II	Exhibits	Lunch Area
08:30	10:30	Opening + Plenaries						
10:30	11:00						Coffee Break	
11:00	12:30	Plenaries						
12:30	14:00							Lunch
14:00	15:30	HQ Session 1 Cybersecurity & confidentiality	HQ Session 2 Customer-focused applications	Technical Session #1 Energy Storage Technologies		Technical Session #2 Power Electronic Devices & Converters		
15:30	16:00						Coffee Break	
16:00	17:30	HQ Session 1 Cybersecurity & confidentiality	HQ Session 2 Customer-focused applications	Technical Session #3 Power System Modeling	Workshop 1 DER interconnection & integration standards	Technical Session #4 Cyber Security & Data Driven Methods in Power Systems		
17:30	19:30							Welcome Reception

DAY 2		Thursday				17-Oct-19		
Start	End	Symposia Theatre	International I	International II	Cartier I	Cartier II	Exhibits	Lunch Area
08:30	10:30	Opening + Plenaries						
10:30	11:00						Coffee Break	
11:00	12:30	Plenaries						
12:30	14:00							Lunch
14:00	15:30	HQ Session 3 AI & data science for the power grid	HQ Session 4 IoT & digital grid	Technical Session #5 Power System Planning	Industry Session 1 Digital transformation for the utilities	Technical Session #6 Power Electronics in Power Systems		
15:30	16:00						Coffee Break	
16:00	17:30	HQ Session 3 AI & data science for the power grid	HQ Session 4 IoT & digital grid	Technical Session #7 Power System Economics	Workshop 2 Smart grid interoperability & cyber security standards	Technical Session #8 Power Electronic Converters		

DAY 3		Friday				18-Oct-19		
Start	End	Symposia Theatre	International I	International II	Cartier I	Cartier II	Exhibits	Lunch Area
09:00	10:30			Technical Session #10 Machine Learning & Artificial Intelligence Applications	Industry Session 2 Weather hardening our energy supply	Technical Session #9 Distribution Systems & DERs		
10:30	11:00						Coffee Break	
11:00	12:30			Technical Session #11 Microgrids	WIE Panel Diversity & inclusion in the climate change sector	Technical Session #12 Electric Mobility
